VOTER REGISTRATION--Mike reported to the council on the information regarding student voter registration. Gerald moved that we make the information available to the students about voter registration and let them act on their own initiative. The motion carried. Mike moved that the president appoint a committee to work with Mr. Myers on presenting this information to the students. The motion carried. Mike, Jo and Karen will work on this committee.

HOMECOMING STATIONARY FLOATS--We discussed the possibility of stationary floats placed on campus for Homecoming. Instead of floats during Homecoming, the council will try to work on a carnival and float competition during Friendly Week.

CLASS OFFICERS--We continued discussion from our previous meeting on the work class officers can do this coming year. Gerald mentioned some possible projects that the classes might be interested in doing. These included: decorating the campus for Christmas, classes in charge of worship service for chapel, assisting Campus Congress, providing skits for Talent Shows and classes in charge of Pep Ralleys.

NEW BUSINESS

WYLDEWOOD--The Council will have a devotional session this Friday night at Wyldewood. The Cabinet and our faculty committee appointments will also meet with us.

LEADERSHIP CONFERENCE-CLUB WORKSHOP--In previous years the S.A. Executive Council has held a conference with student body leaders to discuss ideas relevant to leadership service to Harding. Jim moved that Buddy and Stevie head-up a committee to work on the Leadership Conference for this year. The motion passed. If any of the council has any ideas or suggestions pertaining to the conference, place a notice in the S.A. office.

SENIOR SPEAKERS--The Council made suggestions for senior speakers for Chapel.

ADVERTISING CHAIRMEN--Linda Kendrick and Jeanine Cooper will be in charge of fixing a run-through sign for next week's football game with Let's Make It Happen as the slogan.

CROSS COUNTRY--Pat will check with Coach Lloyd on an appropriate time for the S.A. Council to provide a "little something" for the Cross Country team.

SIGN--Linda Kendrick is checking on making a plywood sign with the slogan Let's Make It Happen. This would be placed on the campus during special activities during the year. Linda will find out more on this and report to the council.
